Welcome to the 'brand new' J Davy Vauxhall...

As a valued customer I would like to extend a welcome to our 'new' dealership. No, we haven't moved from our long established 'home' at West Ham, but we have recently completed a substantial updating of our premises to make the experience of visiting us entirely more pleasurable. The size of our showroom has been increased by around 30% to allow us to display the latest Vauxhall new cars in comfort and our reception area is now well furnished and equipped so you can enjoy a coffee or tea and thumb through the latest brochures at your leisure. Outside, the dealership has undergone a thorough facelift to bring it up to Vauxhall's latest European standards.

Our motto here at J. Davy is that 'we won't be beaten on price'. This applies not only to the latest new and used car offers (see inside for details) but also to the fuel we sell at our adjacent BP forecourt. We price

check our competitors every day to ensure the price for premium petrol and diesel are the cheapest in the Basingstoke area. So next time you're passing why not call in and see us, have a look round, organise a test drive - and fill up whilst you're here.

In the meantime, don't forget to enter our free competition on the back page by completing the enclosed reply paid card and dropping it in the post. It's our way of saying 'thank you' for choosing J. Davy so there are great prizes to be won. You can also keep us up to date with your contact details and request information on the latest Vauxhall models

Thank you for your custom.

Kind regards.

..and our new Management Team!

When new General Manager Graham Robinson arrived at J. Davy in mid 2008 he inherited a strong base of management talent:

Ian Simpson, Ray Brough and Bertrand Augu already had over thirty years J. Davy experience between them and as he looked to build his team, Graham looked for similar quality and experience.

James Cortaville (Sales) and Chris Kelly (Finance) are both highly experienced additions to our team. When you add that to Graham's own long experience with one of Britain's largest multi-franchise dealer networks you now have, in summary, a management team in which you can have absolute confidence. You can really trust them to care for all your motoring needs.

James has, in turn, already strengthened his sales team by promoting Edward Muir to Business Manager and he joins Danny Goncalves - Network Q Used Cars and Louis Carballo - Motability Expert, to lead a team of strong sales executives that you, the customer, can trust to give you the best advice and get the best deal for you.

SO 09 NEW

'09 registration is here...
